

Navigating the Ever-Changing Payments Landscape

"We are implementing a majority of the recommendations made by Wespay Advisors. The engagement was a worthwhile investment and has proven to be a great ongoing partnership."

BUSINESS DEPOSIT PROGRAM MANAGER
\$8B CREDIT UNION

Wespay Advisors delivers tailored Consulting and Risk Management Services that enable our clients to advance their payments programs from product development, compliance management, strategy definition, enhancing client-facing solutions, and more. Our goal is to improve our clients' payments solutions to meet market needs—now and in the future.

We help financial institutions, service providers, FinTechs, and other payments innovators deliver responsive and compliant payments solutions. Our team of certified payments experts offers over 300 years of combined experience with functional expertise in areas, such as operations, product management, executive leadership, treasury management, business servicing and sales, retail banking, and compliance.

Our peer-to-peer engagement style delivers the thought leadership necessary to guide clients in navigating the ever-changing payments landscape. Our offering includes:

Payments Consulting

- Process Improvement
- Regulatory Compliance
- Payments Strategy
- Treasury Management

Risk Management Services

- ACH Rules & Risk-Based Audits
- RTP Audits
- Wire Risk Reviews
- RDC Risk Reviews
- E-Banking Risk Reviews
